### Membership in our Pro program includes:

- 20% discount on most Lip Ink products (valid only on Lipink.com)
- \$25 Annual fee
- Access to exclusive artistry deals
- Free shipping on orders \$150 or more (after discount)
- Free lip color on orders \$145 or more (after discount)

## Who Qualifies for Lip Ink Pro?

Lip Ink Pro is open to makeup artists who currently generate income from artistry jobs, or students enrolled in a school of makeup artistry. And, although the following jobs are fabulous, they currently do not qualify for our program: aesthetician, hair stylist, nail technician, actor, model, dancer, fashion stylist, costume designer, photographer, or other jobs tangentially related to the beauty industry. Lip Ink Pro is available to US residents only.

## How Much, How Long?

Members receive a 20% discount on most products purchased at Lip Ink International headquarters and through **lipink.com**. Each member may spend a maximum of \$2000 per year. Excludes all trial/sample size items.

## Terms and conditions

The discounts and special privileges associated with the Lip Ink Pro program are available to our pro members only. Products acquired as a result of Lip Ink Pro memberships are intended for the personal and professional use by our members, and are not to be resold under any circumstances. Each member may only use one shipping address...so don't try to get sneaky! Lip Ink International reserves the right to approve, deny or cancel membership at any time, and at our discretion. We may make changes to the program at any time and without prior notification. Some products will not be available for a Lip Ink Pro discount, such as limited-edition items, certain value sets, sale items, or products with limited inventory. The Lip Ink Pro discount cannot be combined with any other offers or sales. Artist enrolled in the Pro program may not participate in the yearly recycle program. The Lip Ink Pro discount is available only at lipink.com
