Begin by purifying the lips with OFF Solution. This cleanses your lips, creates a smooth surface for application, and helps with the exfoliation process.

Splash with water and pat dry.

If you usually line your lips, frame the lips with the provided LIP INK® Liner Brush. Any of the LIP INK® Colors can become an instant lip liner with the use of a lip liner brush to be reused as needed.

If You are using the Neon LipGels, skip number 4. & 7
massage a small amount of cream truffle/bubblegum moisturizer onto the lips until thoroughly absorbed.

Take a tissue or dark cloth and wipe the color applicator tip to control the amount of color you want. This gives you the ability to control the shade of color desired.

LIP INK® Classic Liquid Lip Colors create the appearance of full lips because the color adheres to areas where lipstick cannot. This produces an enhanced lip line that doesn't bleed, feather, or rub off. Create over one million guaranteed smearproof colors, by layering to suit your natural healthy lifestyle. Use ASESIOD (A Smooth Even Stroke In One Direction). This insures that your color goes on even Up to three layers. FEEL THE TINGLE This is the herbs, mints and botanicals.

For Kits including BRILLIANT MAGIC POWDERS:
Gently press the BRILLIANT MAGIC POWDER in Almond or Bubblegum over the second layer of LIP INK® Steampunk Brownstone or Victorian Pink liquid lip stan, then apply the third layer of Brownstone or Victorian Pink, and finish with a coat of cream truffle or Bubblegum Lip Moisturizer.
