

LIP INK

WAXLESS TINTED LIP BALMS

Made from natural, organic vegan and cruelty free ingredients, Lip Ink Tinted Wax-less Lip Balms are completely wax free and provide maximum hydration and sun protection with FDA approved ingredients.

Lip Ink Wax-less Tinted Lip Balms are designed for the lips, but can be used creatively, and safely, in your hair, on your eyelids and even on your face.

You can choose from 10 different color groups and 30 individual rich colors. Lip Ink uses only the most advance and safe ingredients that contain age defying anti-oxidants, vitamins and moisturizers that hydrate lips.

Lip Ink is made for all weather and self-manufactured in the USA since 1995
