

LIP-INK® INTERNATIONAL

24-7 SEMIPERMINENT COLOR COSMETICS®

Not happy with your lip color or you want a lighter shade? Be sure to blot the tip applicator with a tissue before applying your color. That puts you in the drivers seat when it comes to the shade of color you want. You control the botanical pigment of your application. Not only can you make over 1 million colors using out LIP-INK® patented 3 product ECO System technology.

Blot the tip of your applicator on a tissue or dark cloth to control the botanical pigment of your color application.

- We brought LIP INK® guaranteed smearproof herbal liquid color cosmetics, back from the future, for an ECO friendly world!
- Our botanical color blends are liquid, like water "THEY CAN SPILL".
- With each use be sure to shake the vial against the palm of your hand until you hear the beads move freely to assure the pigments are blended.
- Our 3 Product ECO system consists of "Water, Oil, and Botanical blended liquid smearproof color." You need all of these to use our products properly. They are sold in complementary kits that allow you to choose your own colors.
- Yes our lip colors are guaranteed smearproof, with no wax, parabens, lead, petroleum products, butters, cholesterols, animal products or glycols.
- The botanicals in our lip color formulations cause a natural exfoliation to occur, leaving you with softer, smoother, fuller, healthier, and younger looking lips.
- Yes we can cover a scar, tattoo, or bruise, with our patented encapsulation process.
- Yes we hold the world's record! We can make over a million colors for your lips.
- Our award winning products have been granted 9 patents with over 15 years of smiling women's faces supporting them.
- Yes, our lip colors contain over 40 herbs, botanicals, vitamins, minerals, and antioxidants in a liquid blend that, once applied, has no texture or feeling. Yet so durable you can wear it 24-7, through a meal and drinks, even sleep with it on!
- **SMEARPROOF AND LONG LASTING!** Guaranteed smearproof & Long Lasting, award winning ECO-friendly, green chemistry, botanical color cosmetics, from patented technology.
- Yes we support sustainability. We have two recycling programs and our products are Vegan, Kosher, Natural, Organic Herbs and Botanical Blends with Maximum Hydration & Sun Protection.
- Yes, our product can create fuller lips by applying our lip color deep into the wet area where NO other lip color can be applied. This reveals more of your natural lips, more than any other lip color.
